## From the Desk of the Administrator

Spring is upon us, with the lawns greening up. The flowers are now blooming and the birds are singing their Spring tunes.

Hope everyone is well and managing through these trying times we are experiencing. The Village is taking several steps to insure the safety of our employees and to keep are utilities operating smoothly. The Village Office is closed to the general public until April 6<sup>th</sup>. We will continue to monitor the Incident and adjust accordingly. The Office will be minimum staffed Monday thru Friday 8:00am to 4:00pm. If needing assistance please call 937 596-6314. Utility payments may be dropped in the night deposit box or you may pay online with a credit card by going to [www.jacksoncenter.com](http://www.jacksoncenter.com) We are setting this up as I write this article and should be working by the time you read this. Would also like to inform everyone that all departments are working every day but they are split into different day shifts to reduce contact with each other. This will also be in effect until April 6<sup>th</sup>. We are facing many unknowns yet so my best advice is to Smile, Pray, Stay Positive, Pray, Take a Walk, and Smile and one more 😊. We will get through this.

I would like to remind everyone to complete the Census 2020. It is so important that we all get counted. The census may be completed online or in paper form.

If you have any questions feel free to give me a call here at the Village Office. 937 596-6314

Next month: (update on our projects)
