

Jackson Center Memorial Public Library with the Support of The American Club ~ Updates and Monetary Needs

What is your library doing for you?

Hello and Spring Greetings from Cheryl South, the Coordinator at the JC Memorial Public Library here in Jackson Center. I wanted to take a moment to highlight all that Jackson Center Library (JCL) is doing to strengthen our community.

- JCL is privileged to be a part of educating our children! Your library is helping to foster interests, supply learning materials, and provide a safe place for your children.
- JCL is proud to be partnering with our school district to supply books and learning activities for PK-12.
- JCL is providing community outreach programs through Book Clubs, Knitting Groups, PK Story times, Adult Crafting, Monthly/Seasonal and Summer Reading Programs, etc.
- Our library provides tools for all ages of our community, children through adults, for both school or personal pursuits.
- Your library is engaging individuals through books, films, and programs throughout the year, hosted either by us or the community.
- JCL provides our community with computer use, faxing and coping.
- **For those individuals who are unable to physically visit us, we go out into the community to deliver items. Please call or e-mail us if this applies to you! (937-596-5300/southch@sclmail.org)**

How can you help your local library?

JCL is a non-profit and locally funded facility that has been helping grow this community since 1956. We strive to be an asset in this community and hope that you'll take a moment to think about the following.

- Time has taken its toll on our building. We've been grateful to businesses, organization, and families in the community who have offered financial support through the years.
- Your village library is in dire need of building updates, repairs, and replacements. These updates have been quoted to cost ~\$10,000.
 - Exterior door replacements
 - Interior drop box
 - Interior repairs: work spaces, bathroom, painting and flooring.

To contribute, please send checks to the P.O. Box 581. Please be sure to add "JC Library" in the memo. You may also drop them off at the library location at 205 S. Linden.

Thank you for your attention to this and being a part of our growing community!

-Cheryl South, JCL Coordinator
